Proper Treatment of Pneumonia.

Pneumonia is too dangerous a disease for anyone to attempt to doctor himself, although he may have the proper remedies at hand. A physician should always be called. It should be borne in mind, however, that pneumonia always results from a cold or from an attack of the grip, and by the proper treatment of these diseases a threatened attack of pneumonia may be warded off. There is no question whatever about this, as during the

A POPULAR LAMENT. Where Would Society Be if One Was Judged for the Sins of Others?

"O: I tried one of those hair tonics sometime ago and it never did me a bit of good." That's what many people are saying today when they refuse Herpicide a

trial. It would be as sensible to say " never travel on a railroad because I often see collisions mentioned in the papers.'

Newbro's Herpicide is specially made to destroy the germ that is living on the roots of your hair. That is why it is so exceedingly efficacious-it is there for the sole purpose of ridding the hair of this parasitie

growth, after which the hair grows as
